

EARLY ACCESS PROGRAM LAUNCHED ON ABL LIFE SCIENCE PRODUCTS

Announcement

ABL launches its **Life Science** division and starts the distribution of disruptive molecular biology instruments to be used for research purposes

Join our Early Access Program and get **30% discount** on all UltraGene real time PCR systems

Your ideal choice for qPCR

- Design for flexible use
- Fast and uniform heating System
- High sensitive optical system
- Easy-to-use Software
- High Quality data

UltraGene qPCR systems

UltraGene

I-19-UG48E
(4-Ch with Gradient)

I-19-UG96E
(6-Ch with Gradient)

I-19-UG48S
(4-Ch without Gradient)

I-19-UG96S
(6-Ch without Gradient)

I-19-UG48R
(2-Ch with Gradient)

I-19-UG96R
(4-Ch with Gradient)

I-19-UG96C
(4-Ch without Gradient)

Terms and Conditions:

Advanced Biological Laboratories terms and conditions apply. **For Research Use Only. Not for use in diagnostic procedures.** Purchase Orders to be received and approved by ABL by **January 31st 2019**. Offer available to ABL clients, partners and new customers. Cannot be cumulated with other promotions, starter packages or with customers' individual discounts.
